

# Paper Plate Spiders

1. Paint or colour the underside of two paper plates.
2. Bend each pipe cleaner once to make a leg. Tape the pipe cleaner to the non-decorated side of the paper plate.
3. Staple the two plates together.
4. Glue on eight wiggly eyes of different sizes on the top of your spider.

## **You will need:**

- Paper plates (2 per spider)
- Paint/colours to decorate
- Googly eyes
- Pipe Cleaners
- Paint brush (if painting)
