

Today

we

are

doing

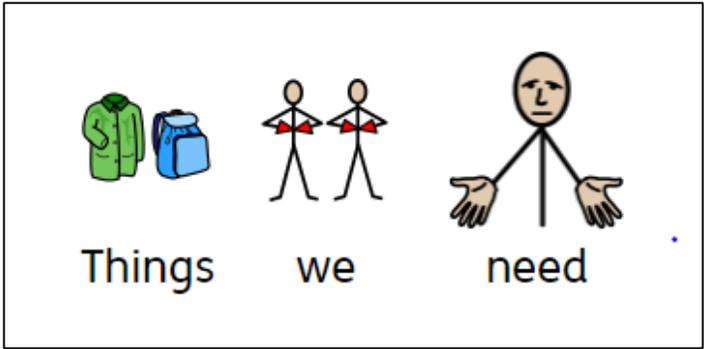

experiment

Alka Seltzer Rocket

https://www.youtube.com/watch?v=SvuZuBSVX YI&t=19s&ab_channel=TheSpaceGal

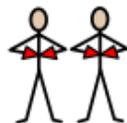

Design

ideas

We

can

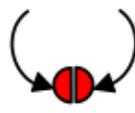

use

paper

to

make

a

cone

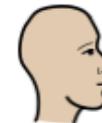

for

our

rocket's

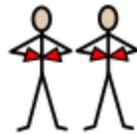

head

Design

ideas

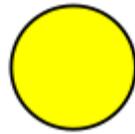

We

can

add

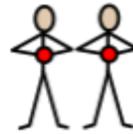

circle

windows

to

our

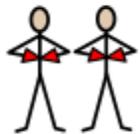

rocket

Design

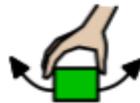

ideas

We

can

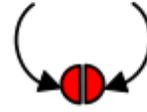

use

rectangular

papers

to

make

fire

for

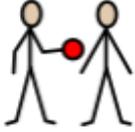

our

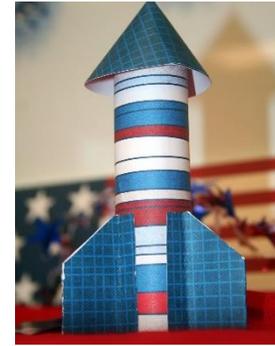

rocket

1

 Decorate your rocket

2

 Add water until you reach the top of the container

3

 Add effervescent tablet and quickly put lid on

4

 Turn rocket upside down and move back

Finished
